Under current law, no person may operate a boat in the waters of this state unless the boat is covered by a certificate of number and a registration or the boat is exempt from those requirements. The fee for the issuance or renewal of a certificate of number varies and is generally based upon the size of the boat. This bill increases the certificate of number issuance and renewal fees for most boats other than nonmotorized sailboats.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
